

THE MLSs IN ACTION

Local broker marketplaces known as Multiple Listing Services (MLSs) connect buyers and sellers of real estate in the U.S. through their respective agents. MLSs gives first-time, low-income and other buyers better access to the American dream of homeownership while also exposing a seller's property to the greatest number of potential buyers.

WHAT THE MLS DOES FOR YOU:

Largest database of available homes

Most up-to-date home status information

Maximized visibility of homes for sale

Verified, trusted, detailed and accurate property information

Facilitates cooperation between buyer and seller brokers

Equal opportunity for all home buyers and sellers

Easy to find the agent selling the home

Level playing field between large and small brokerages

A WORLD WITHOUT THE MLS:

No centralized source of available homes

Outdated home status information

Fewer homes for buyers to choose from on real estate websites

Unverified, inaccurate and unreliable property information

Buyers/sellers would likely have to pay to list on websites

Residents without access to brokerages would have fewer options

Inconsistent broker information in listings across marketplace

Markets become broker-controlled
